

1. AND DID THEY FRACK ... (C)

Tune: Jerusalem, words Simon Welsh, adapted by RV

And did they frack in ancient times?
 Poisoning water, once so clean?
 And were their filthy rigs of doom
 On England's pleasant pastures seen?
 And did a people's movement rise
 To drive these frackers from our hills?
 And get the fracking companies
 To scrap their dark satanic drills?

Come join us here and sing your song;
 Sing of the planet you desire.
 Our voices rise! These frackers are wrong.
 Let's call the tune now. We're the Choir!
 We will not cease from protest now,
 Nor shall we rest till fracking's banned.
 Till we have kicked these frackers out
 From Slovenia and all other lands.

3 PACHAMAMA (MOTHER EARTH) (F)

Morag Carmichael, RV. Starts & ends with Hopi chant, incorporates Cree proverb.

Hey yanna ho yanna, hey yan yan (x2)
 The earth is our mother,
 We will take care of her (x2)
 Hey yanna ho yanna, hey yan yan (x2)

(tenor: Pachamama x 5)
 Pachamama, Pachamama (x2)
 (tenor: Pachamama x 5)
 The earth is bleeding, the earth is dying,
 It's time stop the devastation.
 We cannot (- - -) eat money
 (We cannot)
 We cannot drink oil.

(Pachamama x 5)
 The corporations, they worship profit,
 Their greed is boundless, where will it end?
 We cannot (- - -) eat money
 (We cannot)
 We cannot drink oil.

(Leave the oil in the ground)
 Leave it under the ocean.
 (Leave the oil in the ground...)
 Only when the last tree has died,
 And the last river been poisoned,
 And the last fish been caught,
 Will we realize, we cannot (-) eat money.

Leave the oil in the ground
 Keep the woodland and forest.
 Let the mountains be,
 It's time for nurture and healing now (x2)

(Pachamama x 5)
 Pachamama, Pachamama (x2)
 Hey yanna ho yanna, hey yan yan (x4
