V1

Third run - way ter - min-al six. Too bad if we have to knock

V3

Third run - way ter - min-al six. Too bad if we have to knock

12

V1

down a few bricks and mor - tar: knock down four thou - sand homes. 2. Ex - must keep up! 3. There's a

V3

down a few bricks and mor - tar. Ba

15

V1

pan - sion is the on - ly way Ex - pan - sion that's
mar - ket for more cheap flights And the mar - ket is

V3

doo ba ba doo bada badoo Ba doo ba ba

18

V1
 what they say. More flights by night and more by day and
 al - ways right. Ne - ver mind if the noise is driv - ing folk cra - zy, and

V3
 doo bada badoo More flights by night and more by day And
 Ne - ver mind if the noise is driv - ing folk cra - zy, and

21

V1
 more and more flights a - round the U K. We've
 if more flights will drive more cra - zy, We've

V3
 more and more flights a will - round the U K We've
 if more flights will drive more cra - zy, We've

23

V1
 got - ta keep up with the U S A We've got - ta keep up with
 got - ta make a pro - fit for those com - pa - nies. Don't men - tion the rise in e -

V3
 got - ta keep up with the U S A We've got - ta keep up with
 got - ta make a pro - fit for those com - pan - ies. Don't men - tion the rise in e -

26

V1
 Frank - furt. Yes we more more more More run - ways
 mis - sions. Just need

V3
 Frank - furt. More more more more more more more more
 mis - sions.

29

V1
 more flight - paths More noise and a tad more pol - lu - tion.

V3
 more more more more more more And a tad more pol - lu - tion.

32

V1 Oh yes it's per-fect-ly com-pat - i - ble with re - du - cing e -

V3 More more more more more more more more more more more more

35

V1 mis-sions Eight-y per-cent by twen - ty fif - ty of course we can do it

V3 more more more Ba doo ba doo ba doo ba da badoo ba doo ba ba
